

Free Kindle Book: Back On Murder

FRIDAY, JULY 1ST, 2011

J. Mark Bertrand, having just released *Pattern of Wounds*¹, the second in a series of mystery novels, is giving away the Kindle edition of *Back on Murder*² (the first book in the series) for free for a limited time.

I have not read either yet, but I have downloaded the free ebook and will be reading it as soon as I can! I'm always on the lookout for new reading material and thought I'd pass this on.

J. Mark Bertrand is also known as the writer of Bible Design Blog³, which centers around reviews and features of very high-quality Bibles and book-making in general. It's actually a rather interesting subject even if you are not religious. See his announcement about his novels here⁴.
